Re: *Floyd, et al. v. The City of New York, et al.*
Case No.: 08 Civ. 01034 (SAS)

Dear Judge Scheindlin:

Our office represents Plaintiffs in the above-referenced case. At the initial scheduling conference held on April 16, 2008, Plaintiffs informed the Court that: (1) Defendants would be served with document requests seeking production of the New York City Police Department's UF-250 stop and frisk data and related documents, (2) the parties had agreed that Defendants would have until May 1, 2008, to respond to Plaintiffs' document requests, (3) Defendants had indicated that they were going to object to all or part of Plaintiffs' requests, thereby requiring Plaintiffs to file a motion to compel, and (4) the parties would confer and submit a joint proposed briefing schedule for Plaintiffs' motion to compel by April 18, 2008.

Plaintiffs have served their UF-250 document requests on Defendants. In addition, counsel for both sides have conferred and agreed on the following proposed schedule: Defendants will serve their objections to Plaintiffs' document requests for the UF-250 data by no later than May 1, 2008; Plaintiffs will file their motion to compel by no later than May 31, 2008; Defendants will file their opposition to Plaintiffs' motion to compel no later than June 30, 2008; and Plaintiffs will file their reply by no later than July 15, 2008.

A proposed order documenting this schedule is enclosed for the Court's convenience.
Thank you for the Court's attention to this matter.

Respectfully submitted,

Andrea Costello
